

Children's Advisory Network is a local non-profit organization providing screenings in local schools to identify speech, language, hearing, and vision challenges. KidSight is partnering with Children's Advisory Network to provide the screening equipment for the vision screening. Your school is providing this service for your child. You will be given a written report after the screening with results and recommendations. If you have any questions, please feel free to text, call, or email Karen Todd, MS, CCC-SLP.

Your child's screening includes:

- **Hearing:** (1) OAE or Pure tones screened at 20db for the tones 1,000, 2,000, and 4,000, (2) Tympanometry tests for possible fluid in the ears, and (3) A visual examination if needed.
- **Vision:** Testing includes farsightedness, nearsightedness, astigmatism and Anisometropia
- **Speech:** by repeating words, listening to conversation, and asking questions.

Screening Permission and Release of Information

I _____ consent for my child to participate in the screening
 (Parent/Guardian Name)
 at Holy Trinity Preschool and agree to have the results and report shared with the school administration and teachers. **Screenings start: October 5th.**

Child Name	Age	Birth Date (MM/YY)	Room/Teacher
-------------------	------------	---------------------------	---------------------

Parent Signature	Day Phone
-------------------------	------------------

Email

My child has tubes in their ears: No Yes

I have concerns about my child's pronunciation: no yes, I'm concerned about

My child is in speech therapy: No Yes _____

I would like a language and learning screening (vocabulary, grammar, auditory processing, and following directions) which I understand is an extra \$25. I have attached my check or will Venmo payment: karentodd@karen3964.
